

3rd India Software Engineering Conference

Infosys Campus, Mysore, Feb 25-27, 2010

Dear Delegate,

Welcome to the 3rd India Software Engineering Conference, 2010 (ISEC-10) to be held in the campus of Infosys Technologies Limited, Mysore from February 25th to 27th. The postal address to reach Infosys Mysore is as follows:

Infosys Technologies Ltd.,

No. 350, Hebbal Electronics City,

Hootagalli, Mysore 570018.

Please visit the conference website (www.cse.iitd.ac.in/~sigcse/isec2010/) to download a route-map to Infosys, Mysore campus from two prominent landmarks, namely, Mysore railway station and Bangalore-Mysore Highway. It will be handy to reach the Infosys, Mysore campus. Note that you need to show your photo-based identification card* at the Infosys, Mysore Gate 1 in order to obtain the security pass. In addition, please carry a stamp-size photo for affixing on the security pass. Also note that delegates cannot be accompanied by family members or friends.

There is limited on-campus accommodation which is available on a first-come-first-serve basis. The details of the charges are as follows:

- i) Rupees Five hundred (INR 500=00) only per day per student / faculty member for a shared double room
- ii) Rupees Thousand (INR 1000=00) only per day per delegate for a non-shared room

The payment has to be made directly by the individual through Credit/Debit cards only. Note that internet facility is not available in the rooms due to security reasons food-in-the-room serve is not available; delegates need to use the designated food-courts in the campus for breakfast and dinner.

The conference website has a list of hotels in Mysore with contact numbers and indicative prices. The delegates should make their own hotel bookings should they need to.

Please provide details about laptop and other electronic gadgets that you will be carrying to the conference as per the format provided in the attached Excel Spreadsheet to facilitate smooth security clearance at the entry gate.

Please write to [Yannick Lew@infosys.com](mailto:Yannick_Lew@infosys.com) for accommodation related arrangements, and for for other issues to local organizing committee chair, Ravi Gorthi (ravi_gorthi@infosys.com) or co-chair, BM Subraya (Subraya@infosys.com).
